Program Description:

The National Emergency Management Basic Academy is designed for individuals pursuing a career in emergency management and provides a foundational education in emergency management knowledge, skills, and abilities.

The goal of the Basic Academy is to support the careers of emergency managers through a training experience combining knowledge of all fundamental systems, concepts, and practices of contemporary emergency management. The Basic Academy provides adult learners, facilitated by skilled faculty members, a solid foundation upon which to build a career in the emergency management profession.
