The American Planning Association (APA) has prepared several hundred Planning Advisory Service (PAS) reports for its members and other users. A Chronological Index of PAS reports (1949-2006) may be found at the APA website: www.planning.org. These reports cannot be viewed online, but can be purchased from APA, or possibly located at a library. The following reports are recommended, listed in chronological order:

- 518/519 Ecological River Design
- 483/484 Planning for Post-Disaster Recovery and Reconstruction
- 473 Subdivision Design in Flood Hazard Areas
- 412/413 Protecting Nontidal Wetlands
- 277 Regulations for Floodplains
